# About the Posters

These posters are two sets of six produced by SVR Life Member Alan Reade, a professional civil engineer who has lived within earshot of the railway near Bridgnorth since 1969. Prints are being sold to help raise match-funding against a HLF grant for the SVR Charitable Trust specifically to restore GWR 4930 'Hagley Hall' and upgrade the historic Bridgnorth Station buildings. Three of the classic posters were reproduced in Richard Furness' magnificent Poster to Poster series Vol 3 The Midlands and Wales published in 2011.

They are available to personal callers from:
