

Keep the experience alive ...

There are some experiences in life that are worth putting in a bottle and saving. The heritage steam train experience at the Severn Valley Railway must surely be one of these.

It is largely due to our committed volunteers that the Railway can continue to transport people back to the age of steam train travel.

Daily income from ticket sales covers the cost of the day to day running of the line, but we still need to raise additional funds to keep up with the maintenance of a railway that is now over 150 years old. Bridges, viaducts, tunnels, track and buildings all need to be kept in good order, not to mention the locomotives and carriages. To make sure that we can continue to provide that very special heritage steam experience your donation is very much appreciated.

Thank you for supporting the Severn Valley Railway today
